

A _ SPACE

Revolutionizing outdoor and retail advertising with transparent realtime data insights.

The QUEEN

Location

Drottninggatan 94
Stockholm, Sweden

Screen size

4 sqm

Located on Drottninggatan, one of Sweden's most crowded pedestrian streets, The Queen offers unmatched reach and exposure in the heart of Stockholm. Positioned in a high-footfall shopping and tourist hub, it connects brands with a massive and diverse audience every day.

Powered by ASPACE Vision™ technology, The Queen delivers real-time audience insights and ensures transparent, data-driven campaign performance. With high-impact visibility in a prime retail and urban setting, it's the ultimate platform for brands looking to make a statement where it matters most.

RACTM & FACITTM

THE FUTURE OF TRANSPARENT AD MEASUREMENT

Traditional advertising metrics rely on estimates — we don't. With RACTM (Realtime Accurate Contacts), ASPACE introduces a new industry standard: a real-time, verifiable currency for measuring actual ad engagements.

WHAT IS RACTM ?

- **True Contact Measurement** – Every RACTM represents a real interaction, not just a theoretical impression.
- **Real-Time Insights** – No delays, no guesswork—advertisers see engagement as it happens.
- **Validated & Transparent** – Built on cutting-edge AI and perception technology, ensuring unmatched accuracy in outdoor and retail media.

WHAT IS FACITTM ?

- **Track campaign performance** in real-time.
- **Analyze engagement** trends based on location, viewing time, and frequency.
- **Make data-driven decisions** to optimize ad placements instantly.

With RACTM and FACITTM, advertisers gain full transparency and control — no more outdated estimates, only measurable reality. The future of transparent outdoor media starts here.
